Art Adventures combines hands-on arts education with pure fun in a beautiful setting. We have developed an imaginative and engaging curriculum for youth ages 7 – 13. Led by professional artists and educators, five daily classes each week from 1-4 p.m. explore a variety of techniques and materials. Each class teaches a different process with lots of finished projects. Classes also feature walks through the galleries to see exhibitions that expand the context of the art lesson.

Let the Art Adventures begin—

June 26 – 30

Clay Play for ages 7-13

The clay studio will be open for all ages with instruction on hand-building techniques including pinch, coil and slab to be incorporated into a variety of sculptural forms.

July 10 – 14

Drawing and Painting for ages 7-9

A class to enhance creativity through the use of stimulating materials and specially planned projects.

July 17- 21

Drawing and Painting for ages 10-13

Building on the principles of drawing and design, perspective, portraiture, still life, color exercises and collage painting will be taught.

July 24 – 28

Digital Photography for ages 10-13

Using our digital lab and exploring a wide variety of projects, you'll create some fabulous photographs with a digital camera!

July 31- August 4

Printmaking for ages 7 – 13

During this survey of the history of printmaking, students will be learning to make block prints, relief prints and even screen printing.

Each week of Art Adventures is \$110 for family Museum members and \$150 for non-members. **All materials are included**

- Workshop hours are 1 – 4 p.m. Monday thru Friday
- A snack is provided.
- Proof of age may be required.
- We do not offer extended care.
- Enrollment is on a first-come first-served basis and is limited to 25 students per week.
- Refunds will be given only if a class is cancelled.
