

Long Beach Museum of Art

Self-Guided Group Registration Form

All self-guiding groups are required to check-in and register with the Visitor Services staff before viewing the exhibitions. This is to ensure the safety of the artwork and the safety of the members of the group. Groups will rotate a maximum of 10 visitors at a time through the galleries and must stay together at all times. Visitors not rotating in the galleries will remain outside until the previous group is finished. Groups with minors must have at least 2 adult chaperones; one to escort the group through the galleries and one to remain with the other minors outside. Group access is given on a first-come-first-served basis. LBMA reserves the right to deny access to groups who do not comply with these or any other policies. Other restrictions may apply. To pre-arrange a group visit to the museum, please contact the staff person on the attached card.

**Please fill out and return this form to the Visitor Services Staff
